CASE NO. 94-259

O R D E R

On September 14, 1994, Farmers Rural Electric Cooperative Corporation ("Farmers RECC") filed documentation of its acquisition of an 800 telephone number to allow customers to call the utility without incurring telephone toll charges. Documentation was also filed to show that Farmers RECC notified its customers by newspaper publication of the existence of its toll free telephone number and will in the future on a periodic basis publish the number in a trade magazine sent to each customer.

Having considered Farmers RECC's response and being otherwise sufficiently advised, the Commission finds that the requirements set forth in our August 31, 1994 Order have been satisfied and that this complaint case should be closed.

IT IS THEREFORE ORDERED that this case be and it hereby is closed.

Done at Frankfort, Kentucky, this 18th day of October, 1994.
